

DANIELSON AND PUTNAM NEWS

DANIELSON

Creditors and stockholders here of the Goodyear Mills, Inc., of Killingly, received notice Wednesday morning of a meeting to be held Friday at the Merchants National Bank, in Boston.

This meeting has been arranged by W. Irving Bullard, chairman of the committee that have been handling the reorganization plans in New England. The notice requests the attendance of stockholders and creditors for the return of the company to be used as proxies in case they are unable to attend.

It was authoritatively stated here on Wednesday afternoon that the claims of creditors against the Goodyear Mills, Inc. are small in number and amount, but that it is the desire of those arranging the reorganization plan that creditors and stockholders of the Goodyear Mills, Inc. approve what is being done, as has been the case with the creditors and stockholders of the parent company, the Goodyear Tire and Rubber Company, of Akron, Ohio.

The plan to be presented at Friday's meeting in Boston was being worked out on Wednesday in New York.

Pertaining to the Goodyear Mills, Inc., an announcement of special interest made on Wednesday was that Superintendent Robert W. Boyd has resigned to take a similar position with the Washburn Manufacturing Company of Putnam, filling the vacancy caused by the sudden death, in December of A. P. Lewis. Mr. Boyd has been with the Goodyear company here since it began operations in this town and leaves the company only because of an especially attractive offer from the Putnam concern.

Mr. Boyd will take up his duties in Putnam early in April.

Advancing before the appropriations committee of the general assembly at Hartford, Nathan D. Prince, vice president of the Windham County National Bank of Danielson, told the members that if there were more bank examiners, the deposit of \$150,000 of the funds of the Hartford-Connecticut Trust Company, of which Mr. Prince is also a vice president, would have been lost by at least \$50,000. The money stolen from the Hartford bank was taken by Raymond E. Prince, an employee.

PUTNAM

The case of the Fremont Fund Insurance Company, vs. Jesse E. Rich, was tried before Judge James H. Webb and a jury in the superior court here Wednesday.

The matter pertained to an automobile purchased in 1919 by Jesse E. Rich from H. E. Wright of Boston, the machine afterwards proving to be a stolen car though this was not known to Mr. Rich at the time of purchase. When it was established stolen in an investigation of the source from which a number of cars owned here during the winter of 1920 came Mr. Rich refused a demand to deliver up the car, so it was repossessed, taken to Boston, by the insurance company's representatives, the loss having been paid on it to the original owner, and resold for \$1800. Wednesday's trial was to establish ownership of the car. The jury was out 35 minutes and returned a verdict in favor of the insurance company and an award of damages of \$1800.

Mrs. Charles W. Beale, formerly Miss Marie F. Murphy of Boston, was the first witness called to the stand by the plaintiff's attorneys, Searle, Russell and Bradford. In response to questions by Attorney Howard C. Bradford, Mrs. Beale stated that on October 31, 1918, she purchased a Boston automobile dealer a Hudson coupe for \$3511.45.

This car was purchased before Mrs. Beale's marriage and she immediately had it covered by an insurance policy against theft. The car was stolen May 19, 1919, just after 9 p. m. from the place where it had been left near the Westminster hotel in Boston. Mrs. Beale said she left the car at the Copley Square hotel, where she lives, and her chauffeur had taken it on to the Westminster. He was a dinner and an afternoon at the theatre in appreciation of the remarkable showing the team made during the season just closed.

Rev. J. H. Kest returned Wednesday afternoon to Danville from New Haven after attending the funeral of the Rev. Father Joseph H. Schaele, for 47 years pastor of St. Boniface church.

It was a wicked dreamer who called attention Wednesday to the fact that the sun has apparently ceased to shine since in last Friday afternoon. Any witty republican replied that they were getting ready "to run the country on water now instead of hot air."

Members of the plant department of the S. N. E. T. company in the Danielson division were at Putnam Wednesday evening to roll a return bowling match with a team representing the Putnam division.

Henry Dubuc of Mechanic street has so far recovered after undergoing an operation at St. Vincent's hospital in Worcester as to be able to return to his home.

Postmaster Raymond Allen has found it necessary to officially report the theft from the lobby of the post office of the S. N. E. T. company in the Danielson division. The theft was made by a man who is now being sought by the police.

It was stated here Wednesday that operations on the construction of the remainder of the state highway between Hampton and Brooklyn is to be undertaken as soon as seasonable weather comes. Much grading remains to be done on the Brooklyn end of the job.

Amos Martin, for many years a resident of South Killingly, died Wednesday morning at the Day Kimball hospital at Putnam, where he had undergone a surgical operation. The body was taken in charge by Undertaker L. E. Kennedy and brought to his home here.

There is to be a special Lenten service at St. Alban's church this (Thursday) evening.

Henry C. Paquette of Woonsocket was a visitor with friends in Danielson on Wednesday.

Heavy rain during Wednesday helped settle the deep mud on all the outlying highways of the town, but traveling conditions remain very difficult.

ASPIRIN

Name "Bayer" on Genuine

It's criminal to take a chance on any substitute for "Bayer Tablets of Aspirin." Unless you see the name "Bayer" on the package or on the tablets you are not getting genuine Aspirin prescribed by physicians for twenty-one years and proved safe by millions. Take Aspirin only as sold in the Bayer package for Colds, Headache, Neuralgia, Rheumatism, Earache, Toothache, Lumbago and for Pain. Handy tin boxes of twelve tablets cost few cents. Druggists also sell larger packages. Aspirin is the trade mark of Bayer Manufacture of Monoaceticacid-ester of Salicylicacid.

ant crashed one night, nearly two years ago at a point on the highway that runs from Attawapung crossing to Wildwood park. The Daker car had just come out of a lane leading on to the main highway when Ryan's car came along from the direction of the park, the machines colliding. The case will be tried before a jury.

After spending the night in the police station here, Peter Statkiewicz of North Groveland, was taken to the jail at Putnam Wednesday morning to await trial at the next term of the superior court, having criminal jurisdiction on a charge of assault with a dangerous weapon.

The prisoner is the fourth man arrested in connection with the work of clearing up the holdup that occurred at East Thompson a short time ago. The other three, Polish residents of Webster, are being held in Brooklyn jail. Statkiewicz was arrested by County Detective W. E. Jackson and Joseph Hoshorn and remained before a justice in the town of Thompson.

The motive of the holdup was to get possession of, or 50 gallons of liquor supposed to be in keeping at the home in East Thompson where the raid was made.

Incident to the arrest of the quartet there has come into the possession of officials a considerable amount of information about the bootlegging industry as it is carried on in the villages of the town of Thompson, in Putnam and other towns in this corner of the county. There is a lively underground trade in grain alcohol.

hol and the moonshine industry is booming.

William Brunelle, a student at Putnam evening school, has demonstrated that one may make surprising progress in any chosen field of study during the course of a single winter if the proper application is made. Brunelle has just been awarded a certificate for typewriting, this award from one of the largest typewriter manufacturing concerns. With only 60 hours of training under Miss Elsie Gallant, in charge of the commercial department of the evening school, he wrote at the rate of 24 words a minute and without an error. This is regarded as excellent for one with so little experience.
